**Subject:** Microsoft Hegemony: Proud American, Please Be Happy

**CC:** letters@latimes.com@inetgw,letters@sjmercury.com@i...

"Instead of crash-proof unix, consumers get pure unadulterated koran."

"Instead of exciting software entrepreneurship, young graduates can worship at my mosque."

"Instead of implement paradigm shifting ideas, all nerds grow beards or wear burqas."

"This I choose for you, proud American, please be happy. Okie dokie? Ha ha ha ha..."
